

# Fund Raising Events

*Genetti's Miniature Golf is pleased to announce new and exciting forms of fund raising, that allows area groups to use our facility to host and sponsor fund raising events within our community.*

Genetti's allows organizations several ways to promote family fun with their group while raising funds. Please review our options below and contact us to start planning your fund raising event today.

## Successful Fund Raising Event Options:

### Host a Tournament

Hosting a tournament at Genetti's is the most profitable way to raise funds, especially if combined with Hole Sponsorship (below). Your organization's enthusiasm and effort will determine your success.

You will have exclusive use of our facility, golf course, and patio areas during your tournament. We charge your organization \$5.00 (plus sales and amusement tax) per player, with a minimum of 25 players. That's it! The rest of the revenue is yours! Genetti's thinks you will be presently surprised at how successful your event can be. In order to assist you with your planning, we have created a chart included in this packet for your review.

Keep in mind that a raffle of prizes or a 50/50 is a great way to entice people to your event.

### Solicit Hole Sponsorship

Hole sponsorship entails a sponsor donating a set amount to sponsor a hole at your fund raising event. A sign with the sponsor's business name, would be placed at that hole. This is a great way for businesses to advertise. \$100 per hole, would be an \$1800 profit for your fund raiser.

### Host a Day at Genetti's

This is the simplest way to run a fund raiser at Genetti's. Simply pick a day with us, then hand out "Supporter Coupons" These coupons can be distributed to anyone you like, including members, family, friends, neighbors, etc. A template sheet for your coupons will be custom made for you by our staff. You can simply photocopy that sheet and cutout the coupons for distribution.

Then on the day of your event, for each coupon redeemed by a paying customer, your organization will receive 25% (Adults \$1.50, Children \$1.25) of the regular admission price. That's it! Pick a day, pass out coupons to everyone you know, and collect a check! You would be allowed to display your business information at our facility for that day.
